

CULTURE CHANGE

SUCCESSFUL CHANGE - FACTS & STATS FROM A SELECTION OF OUR RECENT CULTURE CHANGE INTERVENTIONS

Our approach to culture change is not constrained by size, market sector or geography. Our specialist consultants have delivered real, measurable change in groups as small as 200 people right up to whole organisations of 35,000 people. It always starts when a small number of influential, well connected people begin to model a small set of non-negotiable behaviours.

Here are a few 'success' facts and stats from a selection of recent client projects. . .
